

# Introduction to Zhejiang Network and Educate New-Generation Entrepreneur

The Zhejiang Network and Educate New-Generation Entrepreneur was established in 2013. It is a social organization voluntarily composed of outstanding individuals from the second generation successors of private enterprises in Zhejiang Province, new entrepreneurs in private economy, as well as college student entrepreneurs and entrepreneurs returning from overseas.

At present, the Zhejiang Network and Educate New-Generation Entrepreneur has gathered more than 440 representatives of new generation entrepreneurs, covering various fields such as light industry manufacturing, network technology, petroleum and petrochemical, biomedicine, non-ferrous metals, building decoration, mechanical equipment, basic chemical engineering, textile and clothing, beauty and nursing, etc. Among them, there are more than 60 A-share listed companies with a total market value of approximately one trillion yuan. The current president is Fang Yi, Chairman and General Manager of Daily Interactive Co., Ltd.

The Zhejiang Network and Educate New-Generation Entrepreneur will actively build a platform for members to exchange information and promote cooperation and exchange around four major areas: "Youth Blue

Learning", "Youth Blue Friendship", "Youth Blue Charm", and "Youth Blue Public Welfare".
