## Speakers / Panelists

Mr. Philip Wurster

Philip Wurster is the Managing Director of KLS Martin Medical in Shanghai and Director of Business Development & Sales Enablement at KLS Martin SE & Co. KG. With over 10 years at KLS Martin, he has extensive international experience, particularly in the Asia-Pacific region, having lived and worked in China and Malaysia. His focus is on strategy execution, sustainable growth, organizational development, and leading cross-functional teams by enhancing sales performance across global markets.

Mr. Simon Veit

Mr. Simon Veit, Senior Vice President and Regional Representative of Kern-Liebers China, has been with Kern-Liebers since 2001 with a focus on high competence in production process technology. Mr. Veit has been in China since 2010 and has an extensive practical and engineering background. He is married and has two children.

Mr. Sebastian Wiendieck

Mr. Sebastian Wiendieck is head of the legal practice of Rödl & Partner in China. He is based in Shanghai where he is listed as foreign registered lawyer. Mr. Wiendieck has lived and worked in China for almost 20 years. He advises and supports multinational and mid-size companies, mainly from Germany and other European countries, on their business operations and investments in China. He specializes in corporate law, foreign direct investments, mergers & acquisitions, as well as compliance matters.

Mr. Hsiao Chiu

Mr. Hsiao J. Chiu is the Managing Partner and the Co-Founder of JP contagi Asia, Greater China region. Being born in Germany and of Chinese descent, Mr. Chiu has been serving clients from the DACH region and China across Asia Pacific since 2004. His clients are MNCs and SMEs coming from the automotive, machinery, electronics, manufacturing, chemical, and FMCG industries. Mr. Chiu holds a degree in East Asian Studies and International Business Management from Ludwigshafen University of Applied Sciences.
